Dear friends,

In such difficult times, where everything seems otherworldly and out of reach,
some great news cannot be kept for oneself, and must be shared...

We are very delighted and proud to announce the first edition of
DELICE DREAM FESTIVAL - 10 YEARS ANNIVERSARY
from 8th to 13th October in Torremolinos, Spain.

From now on,
the **GIBUS will be the organiser of this A-list annual festival**,
which has brightened up our parties for so many years, thanks to its passionate founders.

We are thrilled to unveil, as of this edition, a new version of this emblematic event.
An inventive version that will definitely break with the *deja vu*.

An outstanding, assorted programme for a breathtaking love festival
that brings together all **LGBTQI+**...

An ambitious challenge that will make your sweet lip biting dreams an exciting reality...

See you soon...
